Explanation of the Purpose and Effect:

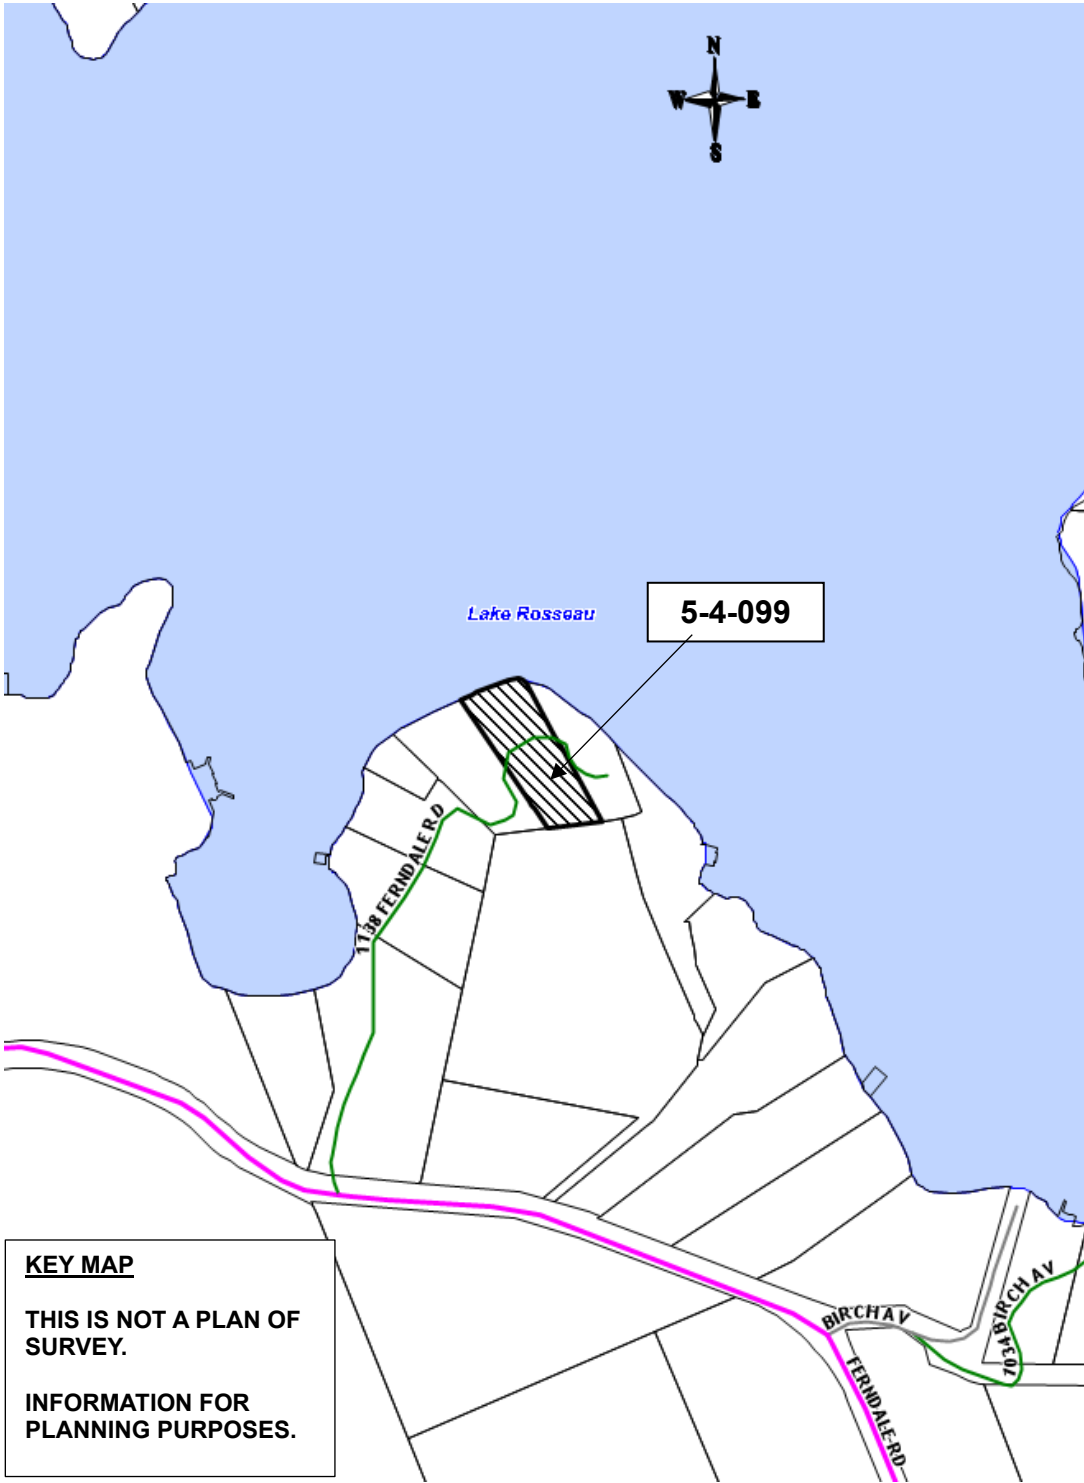

A Consent/Severance Application (B/52/24/ML) has been submitted to sever a portion of the property (Severed Lot) currently and add it to an abutting property to the east (Benefitting Lot). The purpose of the application is to increase the area of the Benefitting Lot for a future private on-site sewage disposal system. The application also proposes a right-of-way for access over an existing private road/driveway on the Retained Lot in the ownership of Kai Tukums in favour of the Resultant Lot in the Ownership of Kai Tukums and Joanna Tukums. An existing right-of-way is to be extinguished.

This application constitutes a reconfiguration of common lot lines. No new lots are being created. The application will also provide a right-of-way on title at the Muskoka Land Registry Office.

A key map of the subject property and the applicant's consent sketch are included in this notice.
